1965

Dedication

This 1965 **Reflector** is dedicated to a person who has devoted eleven years of continuous service to Mehlville Senior High School.

After graduating from Bellgrade High School, he attended Flat River Junior College from 1946-48. Majoring in the field of history, he received his Bachelor of Science Degree in Education from Southeast Missouri State College on May 14, 1951.

Before he came to Mehlville in 1954, he taught social studies and driver's education in the high school at Flat River, Missouri. During his eleven years at Mehlville, he has contributed much of his time and talent toward the History Department of which he is chairman. His service is, however, not limited to the history field alone; he is one of the organizers of the senior trip and one of the sponsors of the National Honor Society. In addition, he gives his time generously to making special events at Mehlville successful.

In appreciation for these contributions to Mehlville Senior High School, we dedicate this 1965 **Reflector** to Mr. Charles L. Horton.

Calendar

Fall

Once again in the fall of the year, the halls of Mehlville were invaded by approximately 1,600 students. Cheerleading practice, colorful posters and the formation of clubs were common events. Newly elected officials of the various clubs set about their tasks of bettering their organizations, and the school year was officially opened.

Winter

During the winter, the basketball team was victorious in the Bayless Tournament. The Wrestling team was undefeated and strongly backed by an enthusiastic student body. Winter also brought the winter Wonderland Dance sponsored by the **Reflector** staff at which Phyllis Pillmann and Terry Fiala were crowned queen and king.

# of Events

Spring

Toward the beginning of spring Joan Crawford was crowned as Miss School Spirit at a dance sponsored by the Pep Club. The music and dramatics departments combined their talents to produce the musical, "South Pacific." The Student Council variety show was taken to Lindbergh in an exchange of programs.

Summer

Summer has come, and the students have gone. The halls will be empty for the next few months, but this condition is only a temporary one. An even greater number of students will enroll next September.

The Mehlville Panthers had a hard way to go this year with several of their varsity players being injured during the first game at Lindbergh, which they lost. In spite of their loss of players and first defeat, the Panthers continued on courageously and forced Ladue, Maplewood, and Parkway to fight for their victories. The night game, at Pattonville, saw the Panthers lose by only one touchdown. However, their spirits weren't dampened as they eagerly awaited the Homecoming Game with Affton. The Panthers scored two touchdowns but were forced to bow down to the Cougars. Their spirits were dwindling, and the Panthers lost to Clayton, Chaminade, and the Dad's Day Game with Brentwood. Although the Panthers had bad luck, they kept on going and gave everything they had to bring victories to Mehlville.

Basketball

Combining the skill of Coach Carpenter, who is now in his second year of coaching the Panthers basketball team, along with that of an active and determined team, proved to be most rewarding.

Mehlville's halls rang with excitement as our team started its season with a victory over Vianney. School spirit was high, and team effort was strong as M.H.S. looked forward to future victories. Many memories were recalled from the 1963 basketball season as this year's Panthers took first place in the Bayless Tournament.

The enthusiastic Panther fans thoroughly enjoyed this season and look forward to an even better one during the coming year.

Baseball

Push-ups anyone?

The boys in training for the 1965 baseball season are taking their training to heart; for they know what is to be expected of them.

Long practice sessions coupled with the strict training and advice of Coach Crandall and Coach Paul will be to the boys credit when the season opens.

Baseball

The membership of the Varsity Club is composed of those boys who have earned their varsity letter in their particular sport.

Their activities range from the promotion of school spirit and sportmanship to being the escorts at the "Miss School Spirit Dance."

Proficiency in a sport soon pays off.

Girls' Sports

Basketball, hockey, and volleyball compose the sports in which girls compete against other schools. However, for those who do not make the teams, there are the intramurals in which the students are allowed to compose their own teams. Mrs. Richardson, Miss Stock, and Mrs. Hayes are the athletic directors who promote the idea of sportsmanship in these activities.

Track

The ability to endure the long training sessions, the strenuous exercises, and the persistent ache of muscles are some of the qualities that those boys in track and cross country must possess. Coach Goodwin and Coach Launius direct these two sports.

Cheerleaders

Is it true that behind every successful football, basketball, wrestling, and baseball team there is a group of cheerleaders? If it is, our teams should be the best ever.

Last year's cheerleading clinic proves to have been beneficial as shown by our '64—'65 cheerleaders. The cheerleaders have revised and improved the cheers, whose rhythms can be heard echoing throughout the halls at the pep rallies and games.

Yes, school spirit has taken on a new light, and thanks to the cheerleaders, it will continue to grow and spread throughout the school year.

F. T. A.

F. H. A.

F. N. A.

Students who plan on teaching for a career find F.T.A. both helpful and fun. This year's club found it useful to exchange programs with Lindberg's F.T.A.; Mehlville's students found their tutoring service helpful.

The F.H.A. sets its goals at preparing students for future home life. This is done with the aid of movies, guest speakers, field trips, and projects.

In F.N.A. the emphasis is on nursing as a career and helping others. Making projects for Koch Hospital as Christmas gifts was just one of their many worthwhile efforts.

The Mehlville District service groups aided the students and teachers. The office and first aid station were run effectively by the secretaries and nurses while the cooks made the snack bar a much appreciated addition.

Bus drivers not only made regular runs, but also provided loop run service. Custodians kept the building immaculate through constant care.

With the exception of the loss of our head cook, Mrs. Lucille Stuckmeyer, service could not have been better.

Parents Organizations

One of the main purposes of the P.T.A. is to create a better understanding of the school district. Monthly meetings, lectures, and other activities are only a few of the methods by which the P.T.A. is meeting the growing needs of the dstrict.

Providing the student body with a Homecoming parade, constructing the football observation tower, and creating an interest in sports and in good sportsmanship are the goals of the Fathers' Club.

Taking an interest in the problems of the district is a major topic at the Mothers' Club meetings. In addition to educational problems, the Mothers' Club provides fashion shows which are given by the home economics classes.

President Mr. Hahn, Vice President Mr. Carney, Secretary M. Wagner, Treasurer M. McGraw.

Dear Reader:

Composing the 1965 **Reflector** has been a wonderful and at times a trying experience. As you look through the pages, we hope you will recall some of the events that made this year one not to be forgotten in the near future.

Working on this yearbook has been an experience that will be long remembered by the following people: Mr. Swain of Meyers Yearbooks, Mr. Bohm of Rembrandt Studios, Mr. Glason of Becktold Binders, and Mr. Karcher, faculty advisor.

The people listed above gave much of their time and patience, but without the staff this book would have been impossible to produce. Special credit is to be given to the three Assistant Editors: JoAnn Butler, Beverly Bell, Linda Hilyard. Also, I would like to thank Sandy Schullier, Business Manager. Their supervision of the various staffs has been a major contribution to this yearbook.

Thank you,

Suzanne Triplett

Editor-in-Chief

Linda,

So nice that we had a real class reunion. Never have we had a lot of hope to have such a great turnout. Typing class was fun with a lot more typing to do. We had a lot of luck in finding work and everything working out. Thank you all for your cooperation. Best of luck in everything you do in the future. I hope everyone has a great summer. We might go in swimming in Florida. This year, I hope we can get together again and have a great time. Maybe we can meet around this time next year. Be good and stay happy. I wish you all the best and hope you can come back next year.

Yours truly,

Mary Ann Lowe

P.S. Please write me and let me know how you are doing. Thanks.
